

DESCENDANTS of PHILIP SINES and PERCILLA BANGS, his wife, 1775-1933, and HEIRS AT LAW next of KIN of LEMUEL SINES, deceased.

The information in regard to the descendants of Philip SINES and his wife, Percilla BANGS, was gathered by David T. Williams of Union Grove, N.Y., the facts being secured from some of the different heirs. The list is as nearly correct as it has been possible to obtain, being furnished by Corbett & Stuart of Binghamton, N.Y.

Note from Elaine Decker, transcriber, February 22, 2007:

These old papers have been in my family as long as I can remember. (I was born in 1948.) My ancestors are Philip SINES and Percilla BANGS; Ellen SINES and Ephraim DECKER; Philip DECKER and Mary FULLER; William Ezra DECKER and Mabel Sophia AYLESWORTH and Reginald Gilbert DECKER, who, after this genealogy was made, married Grace Carrie OLIVER, both of New Berlin. It had to have been made before 1933 when my mother and father were married. I have transcribed this EXACTLY as it was written so there are mistakes and some untruths as far as some of the dates but all in all it is a well researched genealogy.

Under NO circumstances will I give permission to genealogy for pay sites and research. All my genealogy is free to be copied and shared with other family members as long as no one makes any money.
