

*I have been able to establish Dr. Daniel Fuller married to Abigail Miller Fuller descended from Edward Fuller thanks to correspondent Robert F. Fuller, Connecticut, Historian Leonard Alderman, Burlington, CT, Librarian Anne Mazeau, Burlington Library and many many others.*

*They lived on Charlotte Creek in New York. This area was known as Oneonta, Otsego County, after the borders changed, Davenport/Kortright, New York. Both were born in Connecticut. All of their children have not been identified to date. Hiram Fuller, Abigail Fuller and Daniel Fuller have been. The Mayflower Society has recognized them.*

*I will try and respond to this site via the moderator. I am uncomfortable providing my email address, unless I have corresponded with you in the past. –Diane Smith, October 15, 2007*

Daniel <sup>7</sup>Fuller  
Farmington, CT

□

□

Daniel <sup>7</sup>Fuller (John <sup>6</sup>, John <sup>5</sup>, Samuel <sup>4</sup>, John <sup>3</sup>, Samuel <sup>2</sup>, Edward <sup>1</sup>) was baptized in West Avon, Hartford County, Connecticut, 26 January 1766 per Avon Church Record 1/13, 81. It was recorded he was “baptized Daniel to Jn. Fuller and his wife.”

□

Father John <sup>6</sup>Fuller recorded son Daniel <sup>7</sup>Fuller and his grandson's Chauncey and Aseph Fuller of Rome, in his last will and testament and filed it in Farmington Probate District Court, Hartford County, CT.

□

(TAG 15:42) Genealogist Brainard erroneously identified Daniel <sup>7</sup>Fuller's brother; David <sup>7</sup>as the baptized son of John and Hannah Tooley (Peniniah) Fuller, 26 January 1766.

□

Anne Mazeau, genealogist, Burlington Library, Burlington, Connecticut along with Mr. Robert <sup>4</sup>E. Fuller of Greenwich, Connecticut personally read the will of John <sup>6</sup>Fuller at the Hartford Library in Hartford, Connecticut and realized the person identified as “David” in TAG 15:42 was actually Daniel <sup>7</sup>Fuller. Historian Leonard Alderman's family correspondence from 1974 also supports this evaluation regarding the TAG 15:42.
