

I've proofed pretty carefully this transcription of the Delhi village Directory for 1889. The numbering hiccups are in the original. Punctuation is also from the original, and it appears that two different typesetters worked on it. I personally think it's important because date-wise it's close to the missing 1890 census. --Jeff Golden, February 11, 2006

Village of Delhi Directory

From the Delaware Gazette newspaper, June 5, 1889, page 3.

Main Street

Judge D T Arbuckle	173
